**Electrical Systems Design:**

- 15kV System Extension
- Site Electrical Design
- Normal Power Systems
- Emergency Power Systems
- Data Center Power Systems
- Lighting Systems
- Egress Lighting Photometric Calculations
- Daylighting Systems
- Low Voltage Lighting Control Systems
- Lighting System Renderings
- Egress Lighting Systems
- Fire Alarm Systems
- Mass Notification Systems
- Data/Telephone Infrastructure Wiring
- Cable TV Systems
- Nurse Call Systems
- Security Systems

**Low Voltage Security Electronics System Design:**

- Site Communications Systems
- Site Perimeter Detection Systems
- PLC Systems
- Touchscreen Control Systems
- Hardwired Control Panel Systems
- CCTV Systems
- Intercom and Paging Systems
- Duress Alarm Systems
- UPS Systems
